
Event Calendar Listing Form

Each year, there are hundreds of events that take place throughout St. Johns County. The Visitors and Convention Bureau (VCB) maintains an online events calendar, distributes monthly and weekly releases about upcoming events and publishes three events calendars to help promote all events that would attract and enhance the visitor's experiences here. Detailed information provided by event organizers and received by the VCB well in advance of each event allows broad communication of accurate information about these events.

Following is the VCB's Event Calendar Printing Schedule:

February – May (Spring)
